PROJECTS

Reel Me In, Hackathon Project – BrickHack 7, Feb 20-21
github.com/ambar-khan/reel_me_in
- Worked in a diverse group of 4 to create a "dating app" to match a person with their perfect movie depending on mood by integrating TMDb API and enabling a multi-query search through an axios request.
- Developed a SPA front-end utilizing Vue.js and Javascript and styled with HTML/CSS.

ReadBetween
nameless-spire-46450.herokuapp.com/
- Personally, built a Virtual Book Club web app that allows users to sign up for account, search upcoming virtual book discussion events, leave comments, register for events, create their own events and easily pull information on the book they are discussing through the integration of the Google Books API.
- Languages and Frameworks: Ruby, Rails, PostgreSQL, Vue.js, JavaScript, HTML/CSS, Bootstrap. Authentication using JSON web token.

Cascadia
cascadiahospitality.com
- Designed and built a multi-page responsive website using Webflow.
- Leveraged HTML, CSS, and Javascript languages to drive design, build, test and deployment of custom website solution in line with client's needs.

EXPERIENCE

Lutheran Community Services NW, Benefits Manager
April 2018 – PRESENT
- Aid the development, implementation and administration of current and revised benefit programs, policies and procedures to be more equitable, competitive, and responsive to the goals and mission of LCSNW.
-Overhaul Benefit process to be completely digital by designing and configuring an enrollment module on our HRIS, increasing productivity, efficiency, cost savings and reducing paper waste, and risk for HIPPA violations.

Hybrid Logistics, HR and Payroll Manager
March 2017 - April 2018
- Slashed payroll and benefits administration costs 20% by negotiating pricing and fees, while ensuring the continuation and enhancements of services.

ADP, HR Consultant
May 2016 – 03/2017
- Designed an FLSA Compliance seminar to help my client base identify and correct any potential violations that could be caused by the upcoming changes to the Final Overtime Rule by the DOL effective December 1st. The seminar was so successful that it was adopted by other HR consultants in the office.

Real Office Centers, HR and Operations Manager
Feb 2011 – May 2016
- Provided extensive on-the-job training and attentive supervision to an underperforming employee, which resulted in the employee's success as an empowered and accountable team member.
